

SWIMMING COACH

Are you brilliant at Butterfly and fantastic at Freestyle! Or do you prefer basic breast stroke? Either way, if you have some skills and a fondness for fitness, we want to hear from you!

This role will teach our residents how to swim, or improve basic technique using the excellent facilities at Beatty Park. You will usually support in a one to one setting, or in a very small group.

Supported by the [Ladder Development Coach](#), this role would suit a female with some previous experience in coaching or teaching, preferably with a bronze medallion or similar swimming qualification.

To take part in this opportunity, you should register on our website on the volunteering page, which you can find here <http://foyeroxford.org.au/get-involved/volunteering/registration-form>

Once you've done that, we can help you with your Working with Children Check (WWCC) application and do a National Police Clearance on your behalf. We will also talk about what days and times you want to get involved.
